Photography for Fun

Day: Wednesdays

Time: 1.30pm-2.30pm

Location: Online (free)

In this group, we encourage each other to take notice of what is around us by taking photos on a theme. Taking notice enables us to be in the moment and can help you feel more positive about life.

Each week, we start by looking at the photos those attending the group have taken. We enjoy talking about the photos, where these were taken and exploring the different styles.

Then a different theme is suggested for the next week such as animals, doors, weather, 'why is that there', food. During the week you notice what is around you and take photos on the theme. No photography skills are needed and you can use a camera or your mobile phone. Please register online.
